

SUBJECT:

- **Primary Username:** notnooone2345
- **Alternate Username:** notnoone2345
- **Alias:** Wisdom

INVESTIGATION SUMMARY: Subject notnooone2345, also known as "Wisdom," is under investigation for allegations of manipulation, solicitation, grooming, and inappropriate conduct involving minors. The primary focus of this investigation centers on the subject's interactions with Instagram user "alexfortnite6222."

KEY FINDINGS:

1. **Targeted Individual:**
 - Instagram Username: alexfortnite6222
 - Reports indicate the subject has established contact with this user and engaged in behavior consistent with grooming tactics.
2. **Social Media Activity:**
 - The subject utilizes multiple social media platforms, notably Instagram and Snapchat, to maintain communication with Alex.
 - The subject is reported to use a deceptive strategy on Snapchat, leveraging a friend's name to avoid detection by Alex's parent(s).
3. **Behavioral Patterns:**
 - **Manipulation:** Evidence suggests the subject exploits emotional vulnerabilities in the target to build trust and dependence.
 - **Solicitation:** Allegations indicate attempts to elicit inappropriate conversations or content.
 - **Deception:** By operating under false pretenses and aliases, the subject conceals their true identity and intent.

EVIDENCE COLLECTED:

- Screenshots of direct messages between the subject and the target, exhibiting inappropriate and manipulative language.

- Chat logs indicating the subject's attempts to groom the target through flattery, promises, and coercion.
- Data logs showing the subject's use of Snapchat to evade parental oversight by employing a friend's name.

PERSONAL INFORMATION (OBTAINED):

- Username: notnooone2345
- Alias: Wisdom
- Associated Platforms: Instagram, Snapchat

RECOMMENDED ACTIONS:

1. **Monitoring:** Continue monitoring the subject's online activity on Instagram and Snapchat to gather further evidence.
2. **Parental Notification:** Engage with the guardians of the target (alexfortnite6222) to provide awareness and protective guidance.
3. **Subpoena Issuance:** Secure warrants for accessing private messages and logs from Instagram and Snapchat, focusing on the subject's interactions with minors.
4. **Collaborative Efforts:** Coordinate with social media platforms to flag and restrict the subject's accounts pending investigation.
